Re: Vincent Fagan et al. v. Honeywell International Inc., Civ. No. 10119 DPW

Dear Ms. Rynne:

A few moments ago I spoke with Robert Bonsignore, counsel for the plaintiffs in the above-captioned action. Mr. Bonsignore agrees that, because this case will be consolidated in the Northern District of California along with related cases, the motion to remand pending before this Court should be addressed in the consolidated action. Accordingly, the parties request that tomorrow's hearing on the motion to remand and scheduling conference be cancelled.

Sincerely,

David M. Osborne
